.САЙТ /site/ - one of the new Cyrillic domains!
Be among the first to take the best name for your site!

ДОМ.САЙТ

Why register a website name using .САЙТ /site/ and /or .ОНЛАЙН /online/?

- It can be written entirely in Cyrillic and therefore it will be rapidly foundable on the Internet
- it is easier to remember -
харків.онлайн instead of *kharkiv.com*,
моям.сайт instead of *moyatsite.com*
- it supports all specific Cyrillic symbols, including Й, Ё, Ъ, Э, І, Ї, Ў and other
- your name can be written on the Internet in its original form - *белчево.сайт* instead of *belchevo.com*,
йорданка.онлайн instead of *jordanka.com*
- you can register the name of your website on one of the languages using Cyrillic alphabet - which include **Belorussian, Bulgarian, Russian, Ukrainian** and also the languages of Balkan, Baltic and other countries
- there aren't any registration restrictions - you do not have to be a citizen or have a company in a certain country
- .САЙТ and .ОНЛАЙН are newborn domains so almost **all names are available**, the only limit is your imagination!

Where can I register .САЙТ and/or .ОНЛАЙН?

If you want to register the name of your website using .САЙТ and/or .ОНЛАЙН you must contact a company that offers them (the so-called 'registrar').
The list of our accredited registrars is available at:
